Not Just Art

invites your family to join us for

music together[®]

musical play & singalong storytime

Bring storybooks to life through song! We'll "sing" through beautifully illustrated picture books based on songs from Music Together's award-winning Family Favorites CDs, and enjoy musical play with other familiar traditional tunes you may already know. Let us inspire you to support pre-literacy learning, music development, and imaginative play, while spending quality family-time together!
