

Not-So- Grimm TALES

Here's a hilarious tongue-in-cheek retelling of classic Grimm fairy tales that feels fresh and contemporary! A working mother notices her daughter has picked up some not-so-great lessons from the fairy tales she's been reading, so she sits her down and tells her new, more modern and empowering versions of some of the classics. In Mom's new and improved variations, Little Red is an animal rights activist and vegetarian who saves the wolf from the Woodsman; Snow White unionizes the dwarves and overthrows her beauty pageant loving stepmother along with her assistant, Mir'ah; and Cinderella shares her love of angst-filled poetry with Charming and they run off together to live the lives of Bohemian artists.
