

VOICE OVER CLASS DESCRIPTIONS

Intro to Voice Over for Teens and Tweens (grades 4 – 8)

Have you ever watched your favorite cartoons and wondered about who is behind them? Worry not, as Brittany Lauda is here to give you all the behind scenes info on what it is like to be behind the mic! Brittany has provided her voice to television shows such as Pokemon XY, YuGiOh Arc V, Ladies versus Butlers and more! She also does voice over for games and apps like My Little Pony, Transformers, and MOBA games, in addition to casting both games and anime! In this 10 week class Brittany will give you an intro to voice over acting and teach you the technique behind becoming a voice actor! You will learn about character acting, video games, animation, and even a taste of commercials and play fun games and exercises! At the end of the class, she will work with students to create their very own characters that they will record on her professional equipment and get to take home!

Intro to Voice Over for Young Adults (grades 9 – 12)

Do you like to act? Have you ever consider what goes in to cartoons like Bob's Burgers, anime like Attack on Titan or your favorite video games like League of Legends, and how you could get in on the action? Brittany is here to unveil the secrets of the world of Voice Over! Brittany has provided her voice to anime (Pokemon XY, YuGiOh Arc V, Ladies versus Butlers, and Queen's Blade, etc), games (Huniepop, Strife, YIIK, Wasteland 2, etc.) Brittany also works as a casting director for both games and anime. In this 10 week class Brittany will give you an intro to voice over acting and teach you the technique behind becoming a voice actor! You will learn about the industry, character acting, video games, animation, and even a taste of commercials! You will learn a little bit about audition technique and what she looks for in auditions. You will even work with some real audition material! At the end of the class, she will work with students to create their very own characters that they will record on her professional equipment and get to take home!
